GitHub : [RecipeApi](#) [🔗](#) | [ReciprLibrary](#) [🔗](#)

Safepass [🔗](#)

Self Password Manager Android Application.

Development An Application for Android which is designed to **save secure self passwords**. Android Studio environment, write in Java language. The development included Front /Back End.

PROFESSIONAL EXPERIENCE

Wedding planner and producer

2020 – present

As a Wedding Planner and Producer, I managed events, solved unexpected problems, and adjusted to the changing needs of clients. I worked with vendors, handled budgets, and made sure everything ran smoothly, always keeping communication clear and meeting deadlines.

MILITARY SERVICE

Active reserve duty – Iron Swords war

2023 – 2024

Head of lifeblood system for combat soldiers in Gaza, 98 division. Responsible for combat supplies, validity of the supplies, orders and more. In parallel, evacuation of wounded and fallen soldiers in Gaza.

Combat soldier in karakal

2014 – 2017

I volunteered for combat service to contribute in a meaningful way with the goal of combining giving with receiving. The position required me to meet targets and make decisions under pressure. This experience developed my leadership, teamwork and problem-solving skills, which translated well into my professional life.
