PROJECTS

Portfolio Website

Responsive personal website built with HTML, CSS, and JavaScript. Designed with smooth transitions and user-friendly navigation to showcase projects and contact information.

Share Recipes

Android app for recipe sharing in groups. Developed with Java in Android Studio. Integrated Firebase for real-time data syncing and group collaboration features.

GitHub : [RecipeApi](#) | [RecipeLibrary](#)

SafePass

Secure password manager for Android. Full-stack development using Java and Firebase. Features include encrypted data storage, user authentication, and intuitive UI. [Git](#)

PROFESSIONAL EXPERIENCE

Wedding planner and producer

2020 - present

As a Wedding Planner and Producer, I managed events, solved unexpected problems, and adjusted to the changing needs of clients. I worked with vendors, handled budgets, always keeping communication clear and meeting deadlines.

MILITARY SERVICE

Active reserve duty – Iron Swords war

2023 - 2025

Head of lifeblood system for combat soldiers in Gaza, 98 division. Responsible for combat supplies, validity of the supplies, orders and more. In parallel, evacuation of wounded and fallen soldiers in Gaza.

Combat soldier in karakal

2014 - 2017

I volunteered for combat service to contribute in a meaningful way with the goal of combining giving with receiving. The position required me to meet targets and make decisions under pressure. This experience developed my leadership, teamwork and problem - solving skills, which translated well into my professional life.
